Credit Availability - Coping with Non-Lending Lenders

Join us for an enthusiastic and intuitive discussion about 2010 and the credit availability for Cincinnati based companies. Three experienced financial executives will discuss the impact of tight credit markets, prudent business and contingency planning, and longer term strategies. **Tom Depenbrock, CFO of Robbins Inc, Sean McGrory, CFO and partner of Miller Valentine, and Rick Maier, owner of Snap Vector Consulting, LLC** will share insight into the credit markets and discuss how to succeed in this challenging financial environment. Their backgrounds represent diverse industries and extensive business experience gained through several previous recessionary periods. Tap into their knowledge base and enjoy an interactive discussion with three successful finance executives as we explore the challenges of managing working capital and strategic alternatives considered during these stressful times.

These challenging economic times require the most creative approaches to building a highly competitive and profitable business. It's not often you can sit with a group of peers and listen to how they face the same challenges you do. This ACG Cincinnati Corporate Breakfast Roundtable is designed to provide another opportunity for you to build...

successful business growth through education, programs, and relationships.

***Attendance is limited to the first 24 ACG corporate members registered.
