**ABOUT THE PROGRAM:**

**"Take Control of Your Business"**

Join the ACG-Cincinnati on Friday, July 16<sup>th</sup> for an opportunity to better discover how you and your team should be spending your time. Definity Partners, a locally based process improvement firm, will introduce the group to a proven model that can help your organization to improve and measure your management effectiveness. Learn how to reduce fire-fighting and to more effectively focus people's time and efforts on the right areas of your business. Make improvement and growth a daily habit rather than a one-time event to keep your employees – and your business – moving forward. Ask yourself "How am I spending my time vs. How should I be spending my time?" Please plan to join other ACG-C executives for an interactive discussion on the principles, applications, benefits and results that have been implemented and achieved using Definity's Run-Improve-Grow™ model.
