2012 Economic Update

Join us while we learn about potential surprises on the horizon for our region, and why the future of America will depend on the work force. The national economic status is not only determined by population growth but the demographics of those populations.

George Vredeveld, PhD,
*Alpaugh Professor of Economics and Director
Economics Center for Education & Research
University of Cincinnati*

Dr. Vredeveld has received awards and recognitions for his work in the study of labor markets and urban policy as well as in the field of economic education. Currently, he oversees the applied research work at the Economics Center, which conducts economic studies and provides data analysis for businesses as well as not-for-profit and governmental organizations.

Attendance is limited to ACG corporate-level members only, with 30 seats available. To reserve your seat at the discussion table contact -
