### ***Strategic Cost Cutting – Finding the Balance between Necessity and Strategy***

The economic downturn has triggered actions which now seem commonplace - discretionary expense cuts, layoffs, mandatory pay reduction, balance sheet right-sizing, etc. Can business strategy survive such necessities, or must it change? Join us for an enlightening conversation with **Dawn Bertsche, SVP & CFO, Multi-Color Corporation**, **Ed Fanning, EVP & CFO, Duro Bag Manufacturing**, and **Steve Badinghaus, VP Finance, Balluf Inc.** to explore how forward thinking companies are managing the present without sacrificing the future.

These challenging economic times require the most creative approaches to building a highly competitive and profitable business. It's not often you can sit with a group of peers and listen to how they face the same challenges you do. This ACG Cincinnati CFO Breakfast Roundtable is designed to provide another opportunity for you to build **successful business growth through education, programs, and relationships.**

***Attendance is limited to the first 20 ACG corporate members registered.
