Join us for a lively conversation in a roundtable discussion format about the effect of healthcare legislation on your business in 2011, and in the years to come. Now that the legislation is signed into law, it's time to look at its impact on hiring, benefit packages, employee recruitment and retention for the coming year, and how the phased-in requirements of the new law will impact businesses in the next 3 to 5 years.

Our Panelist:

Todd Pfister, VP, Strategic Employee Benefit Services
