

## **Susan Croushore**

President and CEO  
The Christ Hospital

Susan Croushore is the President and CEO of The Christ Hospital, a 555-bed independent teaching hospital consistently ranked as one of the Best Hospitals by *US News & World Report*, as well as Cincinnati's Most Preferred Hospital as measured by the *National Research Corporation*.

The Christ Hospital is one of the largest healthcare facilities in Cincinnati and is in a period of rapid growth including the development of regional partnerships with rural hospitals, the establishment of a primary care network, cardiovascular network, imaging center and other community initiatives. Recently TCH was recognized by the Leapfrog Group as one of 26 adult hospitals in the country leading the nation in patient safety.

Prior to moving to Cincinnati, Susan was CEO of Jeanes Hospital/Temple University Health System in Philadelphia; President of St. Joseph's Hospital in Lancaster, PA; and has more than 30 years experience in the health care field. Croushore started her career as a Microbiologist and has had management experience in the field of Laboratory Medicine. Croushore has a BS from Penn State University, MS from Thomas Jefferson University and Masters of Business Administration (MBA) from LaSalle University
